

**MEDICAL WARRIORS  
WRITING PROMPT  
(Grades 9-12)**

**Create an informative piece of writing. Choose either a surgeon or family medicine doctor as your topic. Explain to your reader the steps they would need to pursue this career. Include specific information about the education, training and skills they would need.**

Be sure to use specific examples from the Career Briefs to support your answer. You should have an introduction, subtopics and a conclusion. You can also add text features.
